Conklin Indigenous – Heavy Equipment Operator (Haul Truck) 4 Week Training Program at Keyano + Coop Work Term

Joining Suncor means you will work for one of the best companies in Canada, providing tremendous future potential where talented people thrive and lead. As our business evolves, so do our employment opportunities. Our work culture includes a dynamic mix of professionals, with a diversity of skills and expertise.

If you have a strong safety mindset and an interest in operating equipment, come join our mining team as a Heavy Equipment Operator! If you have no experience, no worries – we will support you to get just that!

No experience? No problem!

Candidates with no HEO or mining experience are welcome to apply and may be selected to attend a 4-week training program at Keyano College. Above all else, we are looking for enthusiasm and a willingness to learn. If you are chosen for an interview, please come prepared to discuss why a career in Heavy Equipment Operating is for you!

- Tuition costs are covered, but candidates will not be paid while attending classroom training at Keyano
- Upon successful completion of training, candidates may commence a paid, up to 6-month coop at one of Suncor's mine sites

Minimum Requirements

- Must self-identify as Indigenous Status/Non-status
- A High School Diploma or General Education Diploma (GED)
- Have a valid full Class 5 Drivers License at time of application (cannot be the graduated drivers' license GDL). If you currently have a GDL, please review this link: [New driver license requirements| Alberta.ca](#)

Location and Other Key Details:

- You will work out of one of Suncor's mine sites (Mildred Lake or Aurora)
- The shift schedule is a rotation of days and nights (12-hour shifts)
- This is a temporary position for up to 6 months
- Successful candidates that permanently reside in Conklin are eligible for company paid accommodation designated by Suncor for the Keyano school term and the coop work term
- This position is safety sensitive
